

I'm Nayan.

A Programmer.

Hello.

I'm a web designer / developer based in Bangalore, India. I have a passion for web design and love to create for web and mobile devices.

My Skills.

Design and Development

I'm a developer, so I know how to create your website to run across devices using the latest technologies available.

Design what you want.

I like to keep it simple. My goals are to focus on typography, content and conveying the message that you want to send
